● ITINERARY 8 SUBURBAN

A walk on the lake

LINE N 11

Porto Ceresio-Ponte Tresa

ESTIMATED TIME INDICATIVE OF 4 HOURS

...A WALK ON THE LAKE BETWEEN ITALY AND SWITZERLAND

CERESIO - LAKE LUGANO

Lavena, directly on Lake Lugano and the River Tresa.

A panorama which for centuries has attracted tourists to the lake and the picturesque narrow walkway at Lavena that divides the two basins, and the Saturday morning market that fills the whole centre of the village.

From here, the Ceresio, also known as Lake Lugano, is revealed precisely for what it is: a long meandering glacial basin, which appears and disappears like a fjord between the mountains of Switzerland and Italy.
